## CHEAP LODGING IN THE CENTER OF BARCELONA

### Description

Price / night from 29€

Price / month from 875€

Apartment in the heart of the Gothic quarter. Bright and comfortable, retains the old charm combining elements of classic tiles on its balconies, with wood, beige and brown tones. Well distributed space with patio.

Located between the two metro stations, Liceo and Drassanes, the Gothic Quarter is one of the four districts of the Ciutat Vella and the historic city center. It is composed by different neighborhoods that retain their own personality, as Santos Justo y Pastor, Santa Maria del Pi, the Cathedral, Santa Ana, or Call. In one place, you have the intersection of the Call, Avinyó, the Boqueria and Carrer dels Banys Nous- the Jewish quarter of the city. There are a lot of significant places that are just couple of minutes away of apartment: Placa Reial, Placa San Jaume or the Palau de la Generalitat, Las Ramblas, and the monument of Colon. If you want to eat in one of the most legendary restaurants in the city, you just need to make a couple of steps to Els Quatre Gats.
