MODERNIST APARTMENT FOR EVENTS, BARCELONA

Description

Price On request

Available

Magnificent apartment in the heart of Eixample is now available for rent as an event venue. A luxurious entrance will bring you to a hall connecting several bedrooms to a spacious living room furnished with comfortable couches and a dining table. The living room opens to an enormous private terrace, the perfect place to catch a breath of fresh air while enjoying views of the neighborhood. The apartment is designed in Catalan modernist style and has kept many of its original features, among them the tall white French doors with brass handles, the elaborate moldings and centerpieces on the high ceiling, and the stunning cement tiled floors stretching throughout the apartment out onto the terrace in various patterns. The apartment is rather sparsely furnished with pieces that are quite easy to move around, making this a versatile space perfect for any type of event, including business reunions, photo sessions or filming.

The apartment is situated on one of Barcelona's major shopping promenades, Rambla Catalunya, lined with cafes, restaurants and boutiques. Just one street away is Passeig de Gracia, another major commercial thoroughfare. A few minutes away is Gaudi's famous Casa Batlló, one of the most visited tourist attractions of the city. The apartment is just steps away from the Passeig de Gracia metro station with easy access to Barcelona's port.
