DESIGN BOUTIQUE APARTMENT IN THE CENTER OF BARCELONA

Description

Price / night from 100€

Price / month from 1511€

This exquisite luxury accommodation was designed by its owner, a renown landscape architect, in a sophisticated boutique style, and is the perfect place for those seeking a unique flat in the heart of Barcelona.

The living room, with its comfortable couches and its elegant dark gray color scheme, is perfectly integrated with the cozy office nook, furnished with a small desk and chair, and the contemporary open kitchen with its island counter and high chairs. The bedroom features the same soothing combination of soft wooden floors and natural, earthy colors that can be found throughout the apartment and they shares a gorgeous spa-like bathroom with two rain showers, double sinks and soft lighting that will put you at ease after a long day of sightseeing. Throughout the residence you will find unique pieces of furniture and decorations created exclusively for this home, as well as a stunning collection of Japanese artwork adorning the wall and adding a zen touch to the space.

The apartment is located in the peaceful and very safe Poble Sec neighborhood, just minutes from many fantastic bars and restaurants. We recommend visiting Bodega 1900 and Quimet & Quimet tapas bar for a wonderful culinary experience. The apartment is within a short walk of Montjuic Mountain and the Miró museum, as well as the Christopher Columbus statue and the famous La Rambla. The nearby Paral·lel metro station provides direct access to Passeig de Gracia and to Plaza Catalunya.
