## ONE BEDROOM APARTMENT IN SANTS

### Description

Price / night from 121€

Price / month from 1350€

Its vivid and colorful decoration mixes perfectly different rustic elements and details with objects of a more contemporary character. It generated an atmosphere full of warmth and perfection which disposes in the same space, of a wooden floor, brick veneer walls and exposed wooden beams, matched with modern and functional appliances and furniture. Thus, this apartment becomes the perfect place for a couple, for groups of friends or for small families.

Extremely close to the Sants railway station, this apartment comes with an excellent communication through public transport with many touristic attractions along Barcelona, as well as on the Catalan region. Thanks to this, and to be able to visit places such as Plaza Catalunya, or Montjuic Magical Fountains, you will have the opportunity to reach quickly Las Ramblas, the Paseo de Gracia as well as the famous Parc Guell, conceived by the catalan architect Antoni Gaudi.
