HOUSE IN POBLENOU

Description

Price On request

Available

Precious house with Mediterranean charm available in the Poblenou neighborhood, just a few minutes from Diagonal Mar and Mar Bella beach. The interior, characterized by a relaxing baby-blue and white color pattern, is designed to put you at ease and to make you feel right at home. The design features a soothing combination of artistic elements such as furniture made of refurbished wood, antique doors and windows and exposed brick walls, all whitewashed for a dreamy effect. The unique and aesthetic nature of the interior makes it the perfect location for photo shoots and filming sessions. The spacious extended living room features a white corner couch for your guests to lounge on, an open kitchen to cook and prepare canapés and a long dining room table perfect for formal meals. This dining space also opens to a 40 m2 terrace with cozy lounge furniture, a small pool and a barbecue, a great place to have a cocktail before your meal.

The venue boasts a very nice location in the Poblenou neighborhood, the new innovation and design district of Barcelona. Due to its proximity to the Besos Mar metro station and Gran Via de Les Corts Catalanes, the house is easily accessible by both public transportation and car. The enormous shopping center Diagonal Mar Centro Comercial is only a few streets away; here you will find everything you might need, including food, props, decorations and party favors. The house is also a nice walk from Port Forum.
