## GAUDI APARTMENT FOR EVENTS

### Description

Price On request

Available

This pristine penthouse apartment is a great solution for your next event, be it a formal dinner, cocktail party, networking event or catered corporate event. The door opens to a gorgeous hall with smooth wooden parquet through a beautifully arched entryway reminiscent of upscale residences in Paris. The hallway is decorated with elegant leather sofas and an industrial chic metallic lamp which contrast dramatically against the exposed brick wall in the background. The hallway leads past a large separate kitchen, perfect for preparing anything from bite-sized hors d'oeuvres to multi-course meals, to an extended living and dining area designed with impeccable taste. We love the collection of white furniture, the corner couch, leather sofa, bookcase and antique vitrine that give a clean feel to the space. Your guests will have a great time relaxing with a drink on the comfortable furniture and they are guaranteed to appreciate the beautiful collection of framed metallic necklaces adorning the softly lit space. The apartment also has access to a 60 m2 terrace furnished with a nice set of wooden table and chairs, a great place for your guests to catch a breath of fresh air and enjoy the views of Barcelona.

This exclusive apartment is located near Plaça d'Espanya, one of the major transportation hubs in the center of Barcelona. The venue is easy to reach by public transportation (metro, bus, tram, train) and by driving. Those arriving early can check out a wide array of tourist attractions all within a few minutes from the venue, including the Magic Fountain of Montjuïc and the Park de Joan Miró.
