## STUDIO APARTMENT IN VILA DE GRACIA

### Description

Price / night from 100€

Price / month from 1700€

Modern studio with a catalan touch which is illustrated by its high vaulted ceilings with the original exposed wooden beams creating a familiar and unique space. Thanks to its opened design of one single space, except for the bathroom which is separated, it gets plenty of natural light from the large glazed doors giving access to the balcony. Though it consists of just one single space, it presents three distinct areas, clearly defined, the renovated and fully equipped kitchen, the sleeping area with a cosy bed and the living room which has kept, in addition, its beautiful cement tile floor.

It is situated in one of the trendiest district of Barcelona, Gracia, known to be a residential area hosting the Park Guell conceived by Antoni Gaudi, as well as many festivals taking place in august each year. Passeig de Gracia is just a few minutes away, considered as one of the most important avenues of the city.
