Stylish loft apartment with terrace in the artistic Gracia neighborhood available for photo shoots and filming sessions. The 3 bedroom - 2 bathroom residence comes with an exquisite interior design that combines modern conveniences with rustic elements, such as wooden beams in the ceiling and dramatic exposed brick walls. The place has a clean and natural atmosphere, created by the smooth parquet floors and other high quality wooden surfaces found all throughout the space. The apartment boasts a fabulous long kitchen with an island counter, perfect for filming cooking demonstrations or for enjoying a quick meal after a day of work. Alongside it is the dining space, furnished with a gorgeous glass table. The lounge area comes complete with an array of cozy couches and sofas, including a ruby-red Chesterfield set that adds an antique British elegance to the space. You will have access to a spacious terrace with warm wooden panel floors, along with a few tables and chairs strewn about. On a beautiful sunny day this is a fantastic space for a photo shoot or filming, due to the abundance of natural light. The floor-to-ceiling sliding doors of the terrace also allow plenty of light into the living room, making the interior great for filming as well. Upstairs you will find the bedrooms, decorated with a natural Scandinavian design, as well as an office with a chair, desk and computer, great for getting some work done at any point of the day.

This venue is situated in the heart of Gracia, just a few steps from the Fontana (L3) metro station, with quick access to Plaza Catalunya, Liceu and Plaza Espanya. This neighborhood has a very unique character, and is known for its colorful streets lined with boutique shops and both local and international restaurants. We recommend visiting Carrer de Verdi after work and having a light and delicious Japanese

meal at Kibuka Verdi. Or take a break in Plaza del Sol and enjoy a nice lunch.
