POSH APARTMENT DESIGN

Description

Price / night from 575€

Price / month from 4550€

Wonderful apartment of exquisite style which could be the workshop of an artist considering its decoration full of character and personality. The fantastic living room is unquestionably the main feature of this accommodation in which the first thing to catch the attention are the high ceilings, with their original structure with exposed wooden beams and brick veneer. This same space is exclusively decorated and furnished in black and white, only to be contrasted by the spectacular floral mural.

Its strategic position is attractive, as the Eixample is one of the most visited district of the city thanks to its architectural masterpiece, La Pedrera and La Casa Batllo, as well as its infinity of leisure and cultural activities with many restaurants, bars and terraces where to spend a exceptional day.
