## LOFT TYPE APARTMENT IN FRONT OF SANT ANTONI MARKET

### Description

Price / night from 60€

Price / month from 1800€

Spacious loft-like apartment, ideal for a family with children. Its particular layout with mobile walls will enable you to adapt the space to your liking, creating either intimate spaces or a room bright and wide open. The modern style of the decoration matches beautifully with more ancient and original elements of the apartment, such as the cement tiles floors in the living room or the wooden frames of the windows. This association of styles brings a touch of warmth and character to the whole accommodation.

It is situated in the district of Sant Antoni, just in front of the local market, where you will find all types of products. The strategic location in the heart of Barcelona is perfect for art and history amateurs who wish to discover the characteristics of the architecture of this great city. You can easily reach Las Ramblas and beyond, to the Gotico district, on foot or through the excellent service of public transportation.
