## MODERN APARTMENT FOR MONTHLY RENTALS IN BORN

### Description

Price / night from 60€

Price / month from 1800€

Bright and modern apartment with walls in white tones and large windows opening onto a nice balcony, providing plenty of light. The decoration displays some elements of classical style, like the sofa and the comfortable chairs, bringing warmth, while the rest of the furniture is contemporary. Yet the major feature of this apartment lies in the conservation of the exposed wooden beams on the ceiling for a touch of personality among the sober setting of the rooms.

Its geographic emplacement is interesting for those who are fond of the history of Barcelona and its origins, as it is situated in the heart of El Born, a neighborhood that hosts remains of the medieval period. Beyond its cultural character, the Born benefits from a vibrant nightlife, with many bars on Passeig del Born. You will also find a great variety shops, from the most modern to the more picturesque.
