Description

Price / night from 115€

Price / month from - €

The design of this breezy attic apartment blends contemporary style with classic beach house elements, such as nautical paintings and white wicker chairs. The space includes two cozy bedrooms, a spacious living room and a recently renovated kitchen with a dining space and a unique glass table, a great little nook in which to have breakfast. The highlight of the place is the access you will have to two enormous private terraces, equipped with a table, chairs and tanning benches. The perfect place to enjoy the setting sun after a day on the beach.

This apartment is set in the heart of Sitges, a few meters away from one of 17 stunning beaches and Carrer de les Parellades, one of the most commercial streets in the town center, which is lined with shops, cafes and restaurants. A short walk away is the church San Bartomeu i Santa Tecla, one of the most visited attractions of the town. For those seeking a party scene, Sitges is home to several nightclubs, including Pacha and Organic.
