## A bright, modern rooftop terrace. On the left, a large glass door with a red roller blind leads into the apartment. The terrace floor is paved with yellow and orange tiles. A small round table with two teal wicker chairs is set up. A hanging basket of red flowers and a vase of purple flowers are on the table. A wooden pergola structure is on the right, and a white wall with a wooden slat fence runs along the edge. In the background, a city skyline with a church spire is visible under a clear blue sky.

Bright and beautiful apartment near the Plaza de España with an eclectic Dalí-themed design, available for short and long-term rental.

The living room features a vibrant red and white color scheme, and features a table for 4, a vintage-style red sofa, and a soft white rug. We love the framed images of the famous Catalan artist Salvador Dalí, and the contrast of their white frames against the red walls. The red stairs connect the beautiful living room with the large private terrace, which has a small table. This is the perfect place to enjoy a hearty breakfast or a relaxing yoga session in the sun! Adjacent to the living room is the independent kitchen, fully equipped with top quality appliances. The sophisticated bedroom offers a clean and polished atmosphere, following the same red and white color scheme. A beautiful bathroom with shower and a small balcony where the washing machine is located complete this penthouse.
