SUNNY APARTMENT WITH FANTASTIC VIEWS OF THE SEA, ROSES

Description

Price / night from 35€

Price / month from 1260€

Sunny apartment available just steps away from the beautiful port of the coastal city of Roses. This accommodation is ideal for a couple or friends seeking to escape the noise of the city, and relax with a leisurely breakfast on a breezy private terrace with views of the Mediterranean Sea. The interior features a shared lounge space and dining area with a wooden table for two, as well as a fully equipped open kitchen with its own dining nook for two. The two tables can be pushed together for larger meals with a group. The space is minimally decorated but furnished with everything you will need to feel comfortable. Around the corner you will find the very welcoming bedroom furnished with a bed with a smooth wooden headboard that matches the gorgeous wooden vitrine in the living area.

The apartment directly faces the Port of Roses, which has a number of great restaurants perfect for watching the sunset. A short walk away you will also find the fantastic Playa la Punta beach, where you will be able to play a game of volleyball or relax under the sun. The beachfront promenade is also lined with ice cream stands, cafes, bars and restaurants. We recommend sharing a nice seafood paella or trying out some fried fish with lemon. To learn more about the history of the region we recommend visiting the nearby Ciudadela de Roses monuments with a guide.
