## CHARMING ZEN APARTMENT WITH 2 BEDROOMS

### Description

Price / night from 38€

Price / month from 1137.66€

Charming apartment with a sunny, fresh interior available for long-term rental in Sant Martí. The design is characterized by a soothing blend of "zen" colors and materials with touches of industrial style - soft refurbished wood and metallic surfaces against bright white and beige. The living room comes with a cozy couch and crisp white coffee table across from large balcony doors that allow plenty of natural light to shine in. We love the kitchen with its metallic walls and exposed light bulb ceiling pendant creating a professional look. Here you will find a great island bar with 2 white stools, great for having a snack while your partner prepares dinner. Enjoy a meal in the eclectic dining area, which comes with a wooden dining table for 4 and a long table made of rough wood, great for working. There are 2 bedrooms: a master with a double bed and large white closet, and a smaller bedroom with an enormous wooden armoire and single bed. Both come with an elegant minimalist design and contemporary chic decorations on the walls. The apartment also includes a storage room for bicycles.

The building is located in a quiet residential neighborhood with plenty of parks and plazas. You will be very close to the La Pau and Besos metro stops, with quick access to the center. We recommend walking down the tree-lined Rambla del Prim to Parc del Forum, known for its modern architecture. Continue to Platja de Llevant, a popular beach with 2 great beach bars in which to enjoy a nice meal or drink. The apartment is also close to CEM Besos, a sports center for those who like to exercise.
