SOPHISTICATED VACATION HOME, LLORET DE MAR

Description

Price / night from 132€

Price / month from 3000€

Just a short drive from the center of the coastal city of Lloret de Mar, this exclusive vacation home awaits you with its enormous swimming pool and beautifully designed interior. Relax on the tiled pool deck, furnished with comfortable lounge chairs, or take a refreshing dive into the crystalline waters. On the first floor of the house you will find the sophisticated dining room with a long wooden table surrounded by floor to ceiling windows and glass doors to the patio. Further along is the cozy living room with large couches to accommodate several people at once, and one of the 2 fully equipped kitchens you will have access to during your stay. We love the elegant, minimalist combination of beige walls with beige and light wooden furniture to create a soothing, zen effect that will put you at ease. The full bathrooms have a more stylish, modern feel to them and are decorated with patterned wallpaper or multicolor tiles. The sunny bedrooms each come with ample space, and are furnished with a double bed or 2 single beds that can easily be pushed together.

Just a few minutes in car from this house you will find the center of Lloret de Mar, known for its vibrant restaurant and bar scene. We recommend trying boquerones, a delicious plate of fresh anchovies in vinegar and a specialty from nearby L'Escala. Besides visiting the many beaches and hidden coves of the area, we also recommend exploring some of the unique architecture, exemplified by the Sant Roma church.

This property is only available from Saturday to Saturday.
