## APARTMENT CLOSE TO SANTA CATERINA MARKET IN EL BORN

### Description

Price / night from 154€

Price / month from 6000€

Tastefully designed apartment available for short or long-term stay in the beautiful and historical el Born neighborhood. The interior blends contemporary style furniture, such as in the living room, with floral decorations and original features, including a dramatic exposed brick wall, elegant arched entranceways and the mosaic tile floors typical of bourgeois residences in Barcelona. The accommodation features a master bedroom with a cozy double bed and large white armoire. The bedrooms come with a clean, minimalist style to make you feel at home and share a modern bathroom with a shower. We adore the fully equipped, modern kitchen and precious dining space for 3. It is a great space to hang out or get some work down while your partner or friend cooks a delicious meal.

By choosing this accommodation you are choosing to be just steps from some of the most famous attractions of Barcelona, including Arc de Triomf, Ciutadella park, Palau de la Música Catalana, Antic Teatre and the Catedral de Barcelona. not to mention all the gorgeous hidden plazas and winding shopping streets in the area. You will have a wide variety of great restaurants to choose from, including Mosquito (Catalan and Asian fusion) and the always fun Rosa Negra Mexican restaurant. We highly recommend purchasing some fresh local products in nearby Santa Caterina market and preparing them in your shiny red kitchen at home.
