Live like a king in this modern apartment with 2 swimming pools in the center of Sitges. Inside you will find a spacious living room with access to an outdoor terrace, perfect for breakfast surrounded by palm trees. The zen dining area is separated off with an elegant black divider and is furnished with a beautiful glass table for 4, which can also be used for working. You are guaranteed many fantastic nights of sleep in the sophisticated bedroom, outfitted with a dark wooden headboard and closet to match. The double bed is dressed with comfortable sheets and blankets, and is surrounded by carefully selected pieces of art on the wall. The separate kitchen features a polished white and beige design, plenty of cabinet space to store food and all the accessories you will need to cook big meals at home. We love the spa-like bathroom, with its soothing brown and cream color scheme, high quality lighting and large bathtub in which to relax and forget your troubles. The building comes with a spacious and elegant lobby, as well as an enormous outdoor space, with 2 pools and surrounding grassy area, perfect for sunbathing on a warm day.

The apartment is just a few meters from the beautiful seafront boardwalk, as well as la Ribera and Bassa Rodona beaches, just 2 of the 17 found in Sitges. You will also be a short walk from the famous Sant Bartomeu i Santa Tecla Church, and from Carrer de les Parellades, the busiest shopping avenue in Sitges. In just a matter of minutes you can also reach the train station, with quick access to Barcelona.
