2 BEDROOM APARTMENT WITH CONTEMPORARY DESIGN IN GOTHIC QUARTER

Description

Price / night from 53€

Price / month from 1600€

Exquisite apartment with exceptional contemporary design and a practical arrangement available in the historical center of Barcelona. The living room features a white vintage theme: a bright white corner couch and metallic lamp facing an elevated glass table, which is surrounded by comfortable white scoop-back stools. In one corner of the living room sliding doors separate off a unique bedroom, in which a loft bed is elevated directly above a glass desk. This is the perfect sleeping and studying nook for a child. The sophisticated master bedroom features a soothing atmosphere created by mustard colored walls, smooth parquet floors and light flooding in from large windows. The V-shaped modern kitchen comes with brilliant white and red surfaces, and is fully equipped with everything you will need to cook at home. The highlight of the accommodation is the fabulous communal pool on the rooftop, to which you will have access during your stay. Relax in the crystal clear water or sunbathe on the warm wooden pool deck with spectacular views of the emblematic Cathedral of Barcelona and the W Hotel in the distance.

Located in the historical Gothic neighborhood, this residence boasts an exclusive location on one of the most popular shopping avenues of Barcelona. You will be surrounded by some of the most famous attractions of the city, including the Cathedral, Antic Teatre, Las Ramblas, Placa de Sant Jaume and the Boqueria market. On a sunny day walk to the nearby Plaza Real and enjoy a leisurely lunch of fresh local seafood surrounded by palm trees.
