Sunny apartment with a wonderfully designed interior, located on one of Barcelona's famous avenues, the Gran Via. This elegant apartment in Eixample has 3 beautiful bedrooms: one double with 2 single beds, another single with a youthful design and vintage clocks, and finally the master bedroom with a comfortable double bed, a large wooden wardrobe, a private bathroom and access to one of the balconies. A long corridor, decorated with multicolored ladders, will lead you to the second bathroom equipped with a bathtub, as well as a fully equipped kitchen with a U-shaped marble countertop. At the end of the corridor you will reach the charming living room, flooded with by the natural light that enters through the balcony doors, and softly illuminated at night thanks to its high quality lighting. We love the tiled floor and matching wooden table in the dining area, whose walls are adorned with a collection of mirrors and a mosaic of images with an Italian theme. The interior design of this room presents a vibrant combination of tones: the bright white corner sofa, the cream and yellow coffee table, and the turquoise TV stand.
