Breathtaking apartment close to the sea. This lovely 53m2 property can house up to four people with one double bedroom and a sofa bed in the living room. The interior of the apartment is quite elegant, the furnishing is styled with wooden motifs and warm earthly colors. Furthermore, the location is fantastic as it allows for natural light and nature sounds, making waking up every morning a heavenly experience. The bedroom has a comfortable double bed and a large wardrobe with plenty of storage place. The room is also bright and decorated with a relaxing style of Japanese minimalism. The living room is welcoming, with a large sofa, a stylish dining table and access to the isolated from the outside world garden with patio furniture. All-in-all an amazing haven of leisure and comfort. In the same area you can find the modern American kitchen, which is fully equipped for every need you may have and beyond. Then there's the bathroom which is styled in an aquatic soft light blue color and is fully outfitted with all necessary bathroom appliances you would expect from such a premium property.

Sitges is one of the best and most charming towns in Catalunya and Spain. This property is fantastic for everyone, from young couple to vacationers. The apartment building itself is fantastic on its own for its sense of intimacy and privacy, the community garden and pool, and it's positioned close to the town's promenade and the sea, which is a selling point of its own.
