Charming one bedroom apartment in Ciutat Vella. This lovely bohemian 45m2 property can house up to two people and comes with a contemporary interior, warm earthly colors and plenty of natural light coming from every room. The double bedroom is lovely and spacious, has a lowered ceiling and comes with two single beds, which can be put together for extra comfort, a wardrobe and cupboards for extra storage space. The living room is big as well and has a jazzy vibe by using fantastically a variety of colors; it comes with an elegant crisp white dining table and a dark blue comfy couch, a second red cupboard, a funky colorful wall and various bohemian set pieces in the room. The bathroom is styled with cool white tiles for a clean polished look and is outfitted with quality bathroom appliances, from the sink to the shower. Lastly, there's the kitchen which is modern and fully equipped and cozy enough for everything you need to be within an arm's reach of you.

This apartment is great for young couple and bohemians alike because of its comfortable, yet intimate space right in the dynamic downtown of Barcelona. Ciutat Vella is a great district because of its proximity to so many famous locations in the center, including Plaza Catalunya, La Rambla, the Catedral and so on.
