Price / night from 95€

Price / month from 1300€

Sweet home with a private terrace in Sants. This 60m2 place has warm earthly interior with an inviting atmosphere, and while it has just one double bedroom, it can easily house up a total of 4 people with the help of the sofa bed in the living room. The bedroom is spacious and charming with plenty of storage area for all your possessions; it's designed for your absolute convenience. The bathroom has a relaxing soft blue color design and comes with a bathtub as well. The kitchen and living room share the same space, though they are with a lovely L-shaped bar table. On one side you have the cozy, yet fully equipped modern kitchen, and on the other the awesome living space, outfitted for leisure and relaxation with access to the private terrace, which comes with patio furniture.

The apartment is in Sants, which is regarded a distinct part of Barcelona because of its more laid back attitude and neighborly and safe atmosphere. There's also a wealth of bars, restaurants, small shops and business in the area, and no to mention the wonderful market, where you can get fresh products and live life like a true citizen of Barcelona. The district is well-connected, so getting around from here is hardly an issue. You have the plenty of buses in addition to the Mercat Nou (L1) and Badal (L5) metro stations and of course the Sants train station for travels within the inside and outside of Barcelona.
