## LUXURY RETREAT IN THE HEART OF BARCELONA

### Description

Price / night from 68€

Price / month from 2050€

This luxury apartment is your getaway and your own little oasis in the heart of Barcelona. Inside these walls there's tranquility and you will allow this place to take you away. There are 3 large double bedrooms here, each one with an elegant design and an unprecedented decoration. Further along in the apartment there's the living room lounge area, which is spacious and stylish, and also designed to make you feel relaxed and at ease the moment you rest yourself on the sofa or at the table. Another great feature about this apartment it's that it features a private terrace, so you can always step out and soak in a little bit of that magic Catalan sun rays. On the roof you may find the shared terrace, complete with a gym, swimming pool and best of all a glorious panoramic view of the city.

This building is in the heart of the center, meters away from Placa Catalunya, instantly making it close to any major point of interest, as well as close to some of Barcelona's most emblematic areas. In the narrow streets of Gothic Quarter you can hear the echoes of past, as well as the constant sound of a busy crowd, excited to experience Barcelona for themselves. The area is full with a myriad of small places; shops, boutiques, bars, restaurants and so on, each with their own charm contributing to one glorious palette of tastes in the metaphoric and literal sense.
