

## SPECTACULAR SEAFRONT APARTMENT

### Description

Price / night from 133€

Price / month from 4000€

Spectacular apartment in Gothic Quarter with breathtaking views of the sea. From top to bottom, this is a spectacular property: fantastic location, designer interior and furnishing and a homey vibe. The place comes with two bathrooms, each outfitted with high quality bathroom appliances, big showers and designed for freshness. There are three homey double bedrooms in the apartment; two with two single beds and one master bedroom with a private bathroom of its own. The living room brings you comfort and leisure with style, comfy couches situated against the windows with access to the balcony, and there is also a fully equipped kitchenette

The property is situated in front of the Maremagnum, the Port Vell and behind the historic Gothic Quarter. This part of town has something from everyone, be it if your fancy is culture, history, food or excitement. These narrow streets stay active and busy with hidden pearls around every corner. Also its location in the center allows for easy access to any point of Barcelona because of the busy public transportation. Be it bus or metro, others parts of the city are simply a few minutes away. The closest metro station to the building is the Drassanes (L3), just a short stroll away from you new seafront home.
