## HOLIDAY APARTMENTS IN SITGES

### Description

Price / night from 115€

Price / month from - €

This bright and summery apartment is like a breath of fresh air to anyone coming to stay in Sitges for work or a good holiday. The living room is furnished with a fusion of bright, tropical colors and furnished with simple yet charming decorations, giving the whole apartment a summertime feel no matter the season. There are two large sized bedrooms, both with different color and characteristics. The master bedroom has a warm and calm atmosphere to it with its wooden layout. It has access to a balcony, allowing you to enjoy a nice view in your own comfort. The kitchen is modernly designed and furnished for your needs and essentials, with all the utensils necessary for your stay.

The apartment, with its central location, is perfect for those wanting to stay close to the action, but also in a quiet area. The beach is only a few meters away, you can even see it from the balcony. Nearby you will find an international as well as an autochthonous environment, with countless places to eat. We recommend going to El Cable bar, a place that every year participates in a tapas contest and where you can taste some of the winning tapas of previous years.
