CHARMING CIUTAT VELLA APARTMENT

Description

Price / night from 30€

Price / month from 895€

This charming apartment will make you travel back in time with its traditional Catalan vaulted ceilings, whilst the additional of simplistic furniture and Nordic-style decoration adds a modern twist. The kitchen is fully equipped to cook so that you can enjoy a comfortable stay in the apartment. The charming wooden doors open out to a spacious twin bedroom with geometric style ceiling lamps and rustic wooden bedside tables.

This cosy apartment is situated in the very heart of the city, in Ciutat Vella, close to the emblematic La Rambla, as well as Plaza Real. This part of the city has lots of things to see and encompasses one of Gaudi's first masterpieces, his beautiful street lamps which feature the winged-helmet of the god Mercury next to two snakes intertwined around the post. There are also many clubs and rooftop bars in the area where you enjoy an evening with some of the best views of the city.
