1 BEDROOM APARTMENT NEAR JAUME I

Description

Price / night from 40€

Price / month from 1200€

Fabulous apartment in a privileged area in Barcelona's historic Gothic Quarter. This apartment is a great living space with earthy colors that incorporates traditional rugged brick walls and vintage doors with a slick modern interior. The sleeping area is a cozy little haven of comfort and intimacy, featuring a double bed neatly tucked behind the corner of the corridor. The largest room has dual use: a living room with a sofa bed where you can relax, and a fully equipped kitchen to make your favourite plates come to life. In addition, from this room you will have access to a small but charming balcony overlooking the historic district.

This historic area is home to many cultural landmarks including the city's Cathedral, a magnificent example of Catalan Gothic architecture. It's close to both El Born with its unique mix of independent shops, restaurants and bars, and the prestigious Passeig de Gràcia, where many leading international luxury brands have stores. The closest metro station is Jaume I, 4 line.
