PERFECT APARTMENT - SHARED OFFICE WITH OWNER

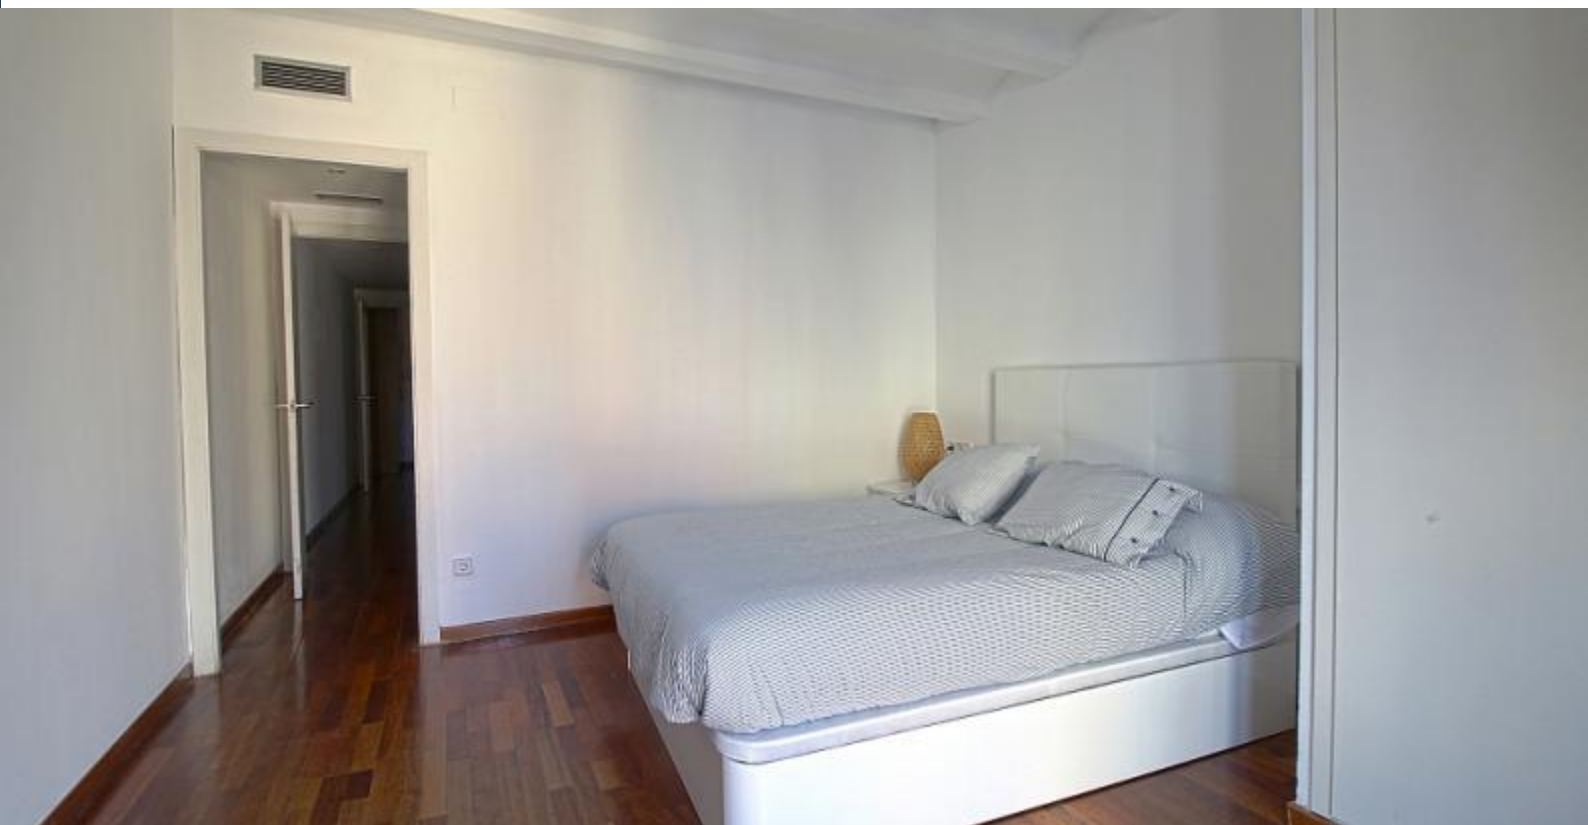

Description

Price / night from 21€

Price / month from 630€

Great apartment for two next to Mercat del Clot. The entire apartment is rented knowing that the owner will use the office of the apartment during the day (not shown in the photos). He will not stay to sleep or cook, so the floor will be practically whole for you. We are particularly in love with this apartment, as we love the white brick walls and the way they contrast with the dark wood laminate flooring. The apartment is modern and so is the furniture, but there is a bohemian feel to every detail of the interior. The soft mix of white and beige tones gives a beach house feel, in turn, the natural lighting will make you feel in a very cozy and relaxing environment. Do not forget to enjoy the comfort of the bathtub or the small balcony. Additional equipment in the apartment includes a TV, WiFi, coffee maker, washing machine, a large closet, heating and air conditioning.

The apartment is located just outside the city center, with buses and subways in close proximity. It is only a 15 minute walk from Sagrada Familia and is even visible from the apartment area. The neighborhood is quiet and there is not an excessive amount of traffic, so getting a good night's sleep is assured. In addition, you can reach any point of the city in less than 30 minutes, thanks to public transport and the proximity to Gran Vía. Broadly speaking, this is an incredibly pleasant apartment to live in. As you can see, we like to repeat it, so we think you would rather see it with your own eyes. What are you waiting for?
