1 BEDROOM APARTMENT CLOSE TO SAGRADA FAMILIA

Description

Price / night from 40€

Price / month from 1200€

Stupendous apartment for two next to Mercat del Clot. We are particularly in love with this apartment. There is just something about these white brick walls and the way they contrast the dark wooden laminate floor. The apartment is modern and so are the equipment and the furniture, but there is sensation of bohemian class in every single detail of the interior. The gentle blend of white and beige shades bring a beach-house feeling to the apartment and the pleasant natural illumination will do miracles for your relaxation. Also do not forget to enjoy the comfort of the bath tub or the small balcony. Additional amenities in the apartment include a TV, WiFi, coffee maker, washing machine, a massive closet, heating and air conditioning.

The apartment is situated right outside of the city center, with both buses and metros in close proximity. It is a mere 15 minute walk from Sagrada Família and it is even visible from the area of the apartment. The neighbourhood is peaceful and there is not an excessive amount of traffic, so getting a good night's sleep is guaranteed. Furthermore, you will be able to reach any point of the city in less than 30 minutes, thanks to the public transportation and the proximity to Gran Via. Overall, this is an incredibly pleasant apartment to live in, and as much as we like repeating it, we believe you'd rather see it with your own eyes. So what are you waiting for?
