TRENDY INDUSTRIAL STYLE STUDIO IN BORN

Description

Price / night from 37€

Price / month from 1100€

This open space apartment in the Born neighborhood was rebuilt in a modern industrial style that combines historic architecture with modern elements, creating a very pleasant and warm feeling. The wooden beams in the ceilings are typical of Barcelona architecture in the central areas of the city, as well as the mosaic floor that can be found in this cozy apartment. The brick walls and polished concrete surface bring a contemporary style breeze. The apartment is ideal for couples, families or for individual stays as well. The apartment also has a large roof terrace, giving you the perfect opportunity to relax or spend the night there with friends.

The Born neighborhood is a very creative area full of small galleries and art shops. The location of the apartment is very close to the Parc de la Ciutadella, the Santa Caterina market and also the city center. You can walk from here to most of the famous places in Barcelona. The closest metro stations are Arc de Triomf (L1), Urquinaona (L1) and Jaume I (L4).
