DESIGN APARTMENT WITH 2 DECORATIVE POOLS IN SANT ANTONI

Description

Price / night from 57€

Price / month from 1700€

A new apartment, bright and decorated by specialized designers in the centre of Barcelona. It has everything you need. There are 2 bedrooms with two double beds and their private bathrooms. A fully equipped kitchen with an American style and open to the living room, which allows you to have a large living room.

The location could not be better, just 5 minutes walk to the Mercat de Sant Antoni, which will transport you in an absolute immersion in the culture of Barcelona where you will find excellent addresses that will delight your taste buds like Sesamo, Can Lluís or The Little Kitchen. Also, Arume and Cera 23 are amazing, next to one of the trendiest streets of Barcelona: Carrer Parlament. Not only you will find a few restaurants around but many. We especially recommend Agust, Braseros, El Mama, tapas in Anardi (only one minute!).

This characteristic place, with its surrealist decoration of good taste, has been renovated and combines history and modernity.

This apartment will be perfect for a work stay as it is fully equipped (business desk, portable WIFI printer) whose space will provide you with the necessary tranquillity to concentrate. In addition, there is Chromecast, which will allow you to watch Netflix and your own local channels.

The apartment is equipped with a washing machine and a dryer. You will also have a room in the basement to store your belongings, it is big enough to store bicycles.

Surroundings

The apartment is very well located. A metro station 3 minutes walk away, a few minutes from the main roads. What we love about this apartment is the great location, in a lively but still very quiet area and the shelter from all noise pollution.
