## Description

Price / night from 200€

Price / month from 6000€

The reform of the house was made recovering the original state of the materials, brick seen in the facade and Catalan vault on the roofs. The ceiling was painted in white with iron beams in black, with a very elegant result that emphasizes the height of the ceiling and the amplitude of the space. All the balconies have been stripped, recovering the original color and patina of the wood.

The furniture is made to measure by the architects of the work and the luminaries of the house give character and emphasize the concept of the proposal.

The apartment is located on the corner and has 8 balconies, so it receives a lot of natural light.
