EXCLUSIVE MODERN BUSINESS APARTMENT

Description

Price / night from 117€

Price / month from 3500€

This just renewed 140 meters apartment was carefully build by its owner to achieve an Oasis in the city....

Just entering you are delighted by the huge windows, high ceilings and natural light from a 8ths floor high, in a very secure building from one of the most "chics" areas of Barcelona, surrounded by the best restaurants and shops. All windows are double-glass protected, to avoid noises if wanted.

First at your left you find the main bedroom, with own dressing room and suite bathroom (shower). Decoration in each space mixes sophistication and rustic details...the result its splendid.

If you keep on walking through the main corridor, after the main bedroom you'll find the kitchen at you left and all the living room in your front.

Kitchen it´s a limited edition from Pininfarina, in grey color. The designer used the texture of the Ferrari´s paint for a vanguard look, and soft-rounded lines to make a comfortable space to cook and also to hang around. Many storage space, dishwasher, oven and an espresso coffee machine (that´s port of the kitchen´s design!). Huge table where to have brake fast or a cocktail, views to the living room and all the windows... This space invites you to stay :)

generate another atmosphere. Smart TV and a chester sofa, small table. There's also another space with a big glass table for dinners-lunch (chairs for 4) or just working purposes. And to end living room description mention that there's a little space for working-out / exercise !
