Spacious house, 149 m2, surrounded by 4 terraces and a balcony that overlook three streets. In a neo-rustic style, with different oil paintings present on its walls, it creates a suggestive aesthetic that manages to maintain the warmth and modern conglomeration of natural materials such as stone, iron and solid wood from IPE.

With 3 rooms, the 3 with TV whose large windows face the outside, so that natural lighting floods the space.

An office, with all its comforts, concludes this piece. It has a fully equipped kitchen and attractive lighting with various tones.

The house has a main bathroom with a shower and a long bathtub where you can relax. The other full bathroom has a shower.

A large IPE table is the source of great character in the dining room, completed by a large custom-made leather corner sofa where you can enjoy a large smartTV screen.
