FABULOUS APARTMENT IN PLAZA ESPANYA

Description

Price / night from 575€

Price / month from 2000€

From November 2024 to April 2025 there will be some noise due to the installation of an elevator on the property.

Magnificent apartment available for monthly rent in the Sants-Montjuic district, just a stone's throw from Plaza Espanya. This luxurious property features an eclectic, ethnic-inspired design, which contrasts beautifully with the details of its original features, such as the high ceilings with elaborate moldings and the beautifully arched doorways.

The spacious living room features a lively collection of decorations in different styles: a 1970s rug, a plant-like wall hanging, a wooden piece in the shape of the African continent and 2 Chesterfield sofas, which add a touch of British refinement. The apartment has 3 spectacular double bedrooms decorated in exquisite style, as well as a smaller single room. We like the creative transformation of the original bed headboards into wall decorations. The apartment is completed by a beautiful dining room, a spacious fully equipped kitchen and 2 immaculate spa-style bathrooms.

- Pets are allowed. Price per month: €150.
