MODERN APARTMENT IN EIXAMPLE

Description

Price / night from 73€

Price / month from 2200€

Located in a perfect and iconic area in the center of Barcelona, this modern apartment is equipped with the latest technology and everything you need to make you feel at home.

The apartment opens with a perfect hall to store 2 electric scooters, the best way to get around Barcelona. We rent them for €200 a month and they don't need gas and just charge them once a week. With autonomy of many kilometers, they are the fastest and lightest; with them you can enter shops and restaurants. Save money on a rental car or the use of public transport with them.

After the hall, you can enter the kitchen, which has its own TV and high chairs. It is magnificent, it has a dishwasher, purified water (forget about buying bottled water!), a safe and a krups coffee maker. Next to it, there is access to the patio, which contains a washer and dryer for optimal comfort.

It has a terrace to drink coffee in the morning, perfect for understanding the Barcelona lifestyle. The bathroom, with a bathtub to relax in, is made of marble and light tones.

The dining room is classic, with parquet flooring and solid wood furniture. The relax sofa is the star of the dining room, with electric mobility and horizontal positioning, ideal!

The set is finished with 2 perfect rooms, both doubles, with brand new sets of sheets.
