Beautiful apartment with an eclectic design available for a short or long-term stay in the elegant Eixample neighborhood. The interior of this residence features a creative and tasteful combination of styles, with elements typical of classic bourgeois Eixample residences (elaborate moldings, tall windows, balcony) and Scandinavian modern furniture. The living room features a large mirror with refinished wood frames and a comfortable sofa facing the impressive wooden doors, which lead to the beautiful balcony. A modern kitchen with shiny stainless steel surfaces opens directly into the living room and dining room decorated with art made from natural leaves.

The apartment is centrally located, just two blocks from Plaza Catalunya and Las Ramblas. It is also very close to Passeig de Gracia and Rambla de Catalunya, two of Barcelona's most popular shopping avenues. The proximity to several metro stations and bus connections provides quick access to the Port of Barcelona and the Gothic Quarter, known for its vibrant nightlife.
