APARTMENT TO RENT IN BARRIO GOTICO

Description

Price / night from 47€

Price / month from 1400€

Apartment by Plaza Real and the Ramblas, in the heart of Barcelona. The apartment has lots of character and exposed brick walls with wooden beams. But don't make the mistake of thinking that the apartment is not modern. On the contrary, it is equipped with quality furniture and the building has a lift which takes you directly to your floor, giving you greater privacy and security. The kitchen is fully equipped and the living room is very bright with large patio doors leading to balconies which are typical of Barcelona.

It is located very close to the main tourist attractions of Barcelona, in the historic city centre. This very central location will allow you to visit the city with ease as it is well connected with metro, bus and train. If you are a large group you can book more than one apartment in the same building.
