## APARTMENT VIA LAIETANA

### Description

Price / night from 73€

Price / month from 2200€

Perfect location in the neighbourhood of El Born, this apartment with balcony is a great option. This neighbourhood is known for its bohemian atmosphere, with narrow cobblestone streets lined with galleries, small restaurants and bars. The entertainment on offer is wide and varied, with theatres, museums, cafes and all of this in a very attractive environment. It is a very central neighbourhood, so you can visit all the city thanks to the many metro lines and bus links. If you are a larger group, there is also an apartment next door, depending on availability.

The apartment has been recently renovated and is ideal for couples or small families. Traditional brick walls, antique doors and wooden beams contrast with the modern furniture, giving it a nice rustic feel. The american kitchen is integrated in the living-dining room and has everything you need for your stay. The living room is very bright with access to a large balcony overlooking the romantic streets.
